

# Class 6 Newsletter

Summer Term 1

## Welcome back to all our pupils.

Hello to all parents, carers, friends and family. My name is Tom McDonald and I am the new teacher for class 6. Please take the opportunity to meet me next week at scone shop and eat some amazing scones whilst you're here!

This term we are enjoying our theme of 'Heroes and Role Models'. Our literacy sessions this term will tell the story of

Robin Hood. We will also be sharing this story within the wonderful setting at Foxglove Covert this half-term and work towards acting out the key scenes.

In our Gardening Gang we will get busy clearing the raised beds of weeds, ready to plan what plants we would like in our garden and learn about what it is that plants need to survive.

Our Creative sessions will involve thinking about what attributes a superhero has and then design our own superhero. We will also be using new technology to explore making our own clips of superhero films.

On Monday afternoons we will be visiting the Children's Resource Centre (CRC) to learn important life skills by preparing a basic snack. During these sessions we will also be working towards ASDAN unit accreditation for developing self-awareness. Our Duke of Edinburgh will also have a volunteering community action link this term with groups being able to visit and help out at a local food bank.

This term's work will be underpinned by our new ASDAN Module All about me. Further information on fair assessment and appeals can be found in our Assessment Policy on the school website: [www.thedalesschool.org](http://www.thedalesschool.org).

## Days to remember

1

**TUESDAY**

Foxglove  
Covert/Gardening  
Gang.

2

**WEDNESDAY**

A.M. Scone Shop  
P.M. Rebound

3

**THURSDAY**

Riding/Equine Care
