

6th Form Autumn Newsletter

This term our
theme is
Homes.

Vocational

Our Year 14 students will be carrying out land based and animal care work at Monk Park Farm.

Our Year 13 students will be making and serving freshly baked scones, breads, and cakes at our pop-up Scone shop at The Family life church in Thirsk every Tuesday. Year 12 students will be baking and serving freshly baked scones, breads and cakes in our school scone shop every Wednesday afternoon.

Cultural and Creative

Our Challenge group are exploring clay and will be creating their own coil pots and tiles. Inspire are engaging with music and exploring beats and using our bodies as percussion instruments.

Physical

This term we are enjoying dance, MATP, Team games and swimming.

Independence and life skills

In this term's lessons we will be using our Life Skills room to learn how to independently carry out household tasks.

Our challenge group are learning about basic first aid.

Accreditation:

Our ASDAN units are:

- Challenge - Safety in the home and community
- Inspire - Taking part in routine daily activities

Functional Skills

Our challenge group are collecting data, analysing data, and presenting this using a range of charts. In English they are researching animal habitats and creating a model home for their chosen researched creature.

Our Inspire students are focussing on number recognition and calculations. Our sensory story is 'Dear Earth', and we will be exploring the range of creatures the planet Earth provides home to.
