Welcome back to school, it has been an amazing start to the term! The children have settled back into class and enjoyed spending time with friends. The theme this term is 'It's time to celebrate'. During 'My communication' we will focus on two books, 'Giraffes Can't Dance' and 'Kipper's Birthday'. During this time, we will have opportunity to work on a personalised approach to reading, writing, and listening skills. We will be exploring key symbols and developing fine motor skills.

We have two focused 'My cognition' sessions a week. We will split into small groups or work 1:1 with an adult on activities to support learning on the current maths topic and our thinking skills. This term we are focusing on 1:1 correspondence, ordering numbers and counting from a number other than 1.

In our physical sessions we will continue to swim each week (either a Monday or Friday morning- we will confirm which day for your child over the course of the next week).

We have a bespoke curriculum that is centred around your child. Please see a copy of our timetable ...

Items to remember:

- Your child's drink bottle or cup - we will top up water or provided juice
- 2 x snacks a day
- Spare clothes in a named bag and an apron to access all our messy play and exploration
- As we head into Autumn and Winter it would be useful to have a pair of named wellies that are kept in school.
- Please label all your child's items and clothing

Tapestry will be used to update you with photos and descriptions of your child's learning. If you need help accessing Tapestry, please contact Rachael in the office. Home/school planners will be completed every day to give you feedback on your child's day. If you have news from home, please feel free to communicate it via the planner. If you have any queries at all, please do not hesitate to contact us.
