

Base 3 Nidderdale and Kingsdale – Newsletter Autumn 2022

A warm welcome from your base 3 team! We've had a great first week exploring our new classrooms and meeting new friends.

The themes for this term are "Time to Celebrate and Party" and "Fiesta" and base 3 are going to have a party! We're going to learn about all the important people around us and how we can celebrate them with parties. If you have any photos of the important people in your child's life – send them in to support this!

Each half term we have a story focus to support our theme. We'll tell this story everyday using a total communication approach with sensory props. We're starting the year with 'Chimpanzees for Tea' by Jo Empson which will take us on a wild journey to the shops!

We have a bespoke curriculum that is engaging, exciting and challenging. It offers your child the opportunity to learn and work at their own pace with tailored resources to meet their learning needs and styles.
